On behalf of my institution, I want to note that my institution would like to be described on www.melioidosis.info with **that we can support other people outside of my own institution as following.**

List of possible supports

- *B. pseudomallei* identification: **[Yes]**
- Isolate or specimen storage: **[Yes]**
- Research collaboration: **[Yes]**
- Biosafety guidance: **[Yes]**
- Reporting human cases **[Yes]**

I totally aware that cost of the support is up to the discussion from my own institution and those who seek the supports.

Sincerely,

Prof Bart Currie
