On behalf of my institution, I want to note that my institution would like to be described on www.melioidosis.info with **that we can support other people outside of my own institution as following.**

List of possible supports.

- B. pseudomallei identification: **[Yes]**
- Isolate or specimen storage: **[Yes]**
- Research collaboration: **[Yes]**
- Biosafety guidance: **[Yes]**
- Reporting human cases (this will be automatically turn "Yes" only after admin received the data that can be displayed on the website)

I totally aware that cost of the support is up to the discussion from my own institution and those who seek the supports.

I want the following note to be display on the website under the list of possible supports (maximum 250 characters)

For further support kindly contact www.melioidosisindia.com or mail at imrfmanipal@gmail.com
