<please edit or adjust as you see fit>

I would like to report that, at **Yangon General Hospital, Yangon, Myanmar**

From 2015-2016, we found culture-confirmed melioidosis cases and **death** of them as following

Year	Myanmar	
	Total No. of Culture-confirmed Cases	Total No. of Deaths
2015	2	1
2016	2	1

<please feel free to report more years if you would like. If you don't know the number of deaths; please just say "unknown">

I am happy to be the contact person about melioidosis cases at the hospital.

Sincerely,

Dr. Mo Mo Win
Deputy Director

Longitude: 96.149107

Note: Before 2015, there was one case report in 2004. We hope to find more cases in future and will use latex agglutination for screening of *B.pseudomallei*

To: Admin of Melioidosis Research Coordination Network
(RCN) <melioidosis.info@tropmedres.ac>

On behalf of my institution, I want to note that my institution would like to be described on www.melioidosis.info with **that we can support other people outside of my own institution as following.**

List of possible supports.

- B. pseudomallei identification: **[Yes]**
- Isolate or specimen storage: **[Yes]**
- Research collaboration: **[Yes]**
- Biosafety guidance: **[Yes]**
- Reporting human cases (Yes for Yangon General hospital)

I am totally aware that cost of the support is up to the discussion from my own institution and those who seek the supports.

I want the following note to be displayed on the website under the list of possible supports (maximum 250 characters)

Culture confirmed data reported by Dr. Khwar Nyo Zin, Senior Consultant Microbiologist at Yangon General Hospital. dr.knzin@gmail.com

Sincerely,

Dr. Mo Mo Win
Deputy Director
